Here's what the Delphi Trio has to say about their appearance at the Music Festival: We're thrilled to be featured as Artists in Residence at this year's Bear Valley Music Festival from July 25-August 11 in Bear Valley, CA. We are going to be kept very busy, including a variety of collaborations, a recital, and a performance of Beethoven's Triple Concerto with the Festival Orchestra and music director Michael Morgan. We're starting our training for the oxygen deprivation now - Bear Valley is at an altitude of 7,100 feet! Learn more about The Delphi Trio [here.](#)

Let us know if there are any members of your family, extended family or friends who would like to be added to our email list.

Thank you for your support. We are pleased to serve the Bear Valley community.

**Sincerely,**

The BVRI Board
