Dear Katherine,

We are sending this BVRI e-News to provide an update and and ask for your support of the Bear Valley Mountain Coop. Please read the details below.

BEAR VALLEY MOUNTAIN COOPERATIVE - UPDATE

The Bear Valley Mountain Coop Needs You!

The Bear Valley Mountain Cooperative (BVMC) is progressing forward with its immediate purchase of the mountain and eventual purchase of the village as per its agreement with the current owners. They have been performing extensive due diligence over the past 60 days and they have been reaching out regularly to the Bear Valley community. The reason this group of homeowners and concerned locals are going through this massive volunteer effort is to benefit all that enjoy Bear Valley including the mountain, village, and the highway 4 communities that rely on a thriving mountain and village.

The BVRI board supports this effort and encourages all homeowners to go to their web site, read the materials, and join the BVMC before Monday, July 7th which is an important date for them to achieve a critical level of membership sales. They are 60% of the way to their goal already, but need the support of individuals and businesses that want to support Bear Valley. Several people with the ability are purchasing multiple membership shares to help support the effort.

The BVMC will be presenting their business plan and specifics on how the membership will review and approve the plan before the purchase is completed on July 5th at 9:30 at Skyhigh Pizza and also attending the annual BVRI picnic at Bear Lake on July 5th at 3:00 where we will have a table and board members that can provide you with information and answer any questions. The time to do this is now; they have Bear Valley and the communities' best interest in mind, and are working with experienced professionals in making this happen. Please consider joining today.
