Dear Katherine,

There are some exciting and important updates included in this email.

FOREST MANAGEMENT GRANT TO REDUCE FIRE RISK

\$40,000 GRANT AWARDED TO BVRI FOR FOREST MANAGEMENT AND FIRE PREVENTION

BVRI is pleased to report that we have been awarded a \$40,000 grant to clean up the forests and reduce the fire danger in Bear Valley's common areas. BVRI worked with local forester Ross Richards to apply for a State Responsibility Area Fire Prevention Fund grant, and learned last week that our efforts were successful. The work will take place over the 2015 and 2016 summer seasons. The targeted areas are shown on [this map on our website](#); work will begin in the High priority areas, followed by the areas labeled as Moderate and Low.

We will provide you with more information on the schedule and work plan later in the spring.
