Greetings!,

"Discovered in Bear Valley - delivered to the Bay Area "

For music lovers and supporters of the Bear Valley Music Festival a golden opportunity is coming to the Bay Area - Those individuals who were fortunate enough to attend last year's Music Festival were thrilled with the concert of world-renowned "The Mads Tolling Quartet" and are now getting a second chance to enjoy this two time grammy award winner on May 5th in the Bay Area.

On Friday, May 5th, 2017 at 7:30pm- for one night only, The Mads Tolling Quartet will be playing a benefit concert for the Bear Valley Music Festival at the Center for the Arts in Castro Valley.

BVRI is encouraging all music lovers and supporters of Bear Valley to enjoy a truly wonderful evening of music. This is also a great opportunity to show your friends the uniqueness of Bear Valley without the four hour drive. See you there."
