Greetings!,

There were some questions concerning information sent out yesterday in an eblast. For clarification, there is only one vote per household/lot for BVRI members in 2018. The ballot will be sent (electronically) to the email address of the person designated as the "primary owner" when you joined BVRI for 2018. At this point that cannot be changed. (you may do so next year when you send in your 2019 payment). The Board elections will be held from February 12-28. If you have further questions you can reply to this email.

Thank You
BVRI Board
