Greetings!,

Reminder to pay your dues now to qualify for reduced pricing. Only \$110 if paid by March 31st.

Annual dues are \$125 (\$110 if paid by March 31, 2019). There are two steps to the process: completing the membership form and paying your dues. Whether you are renewing your membership for 2019 or joining BVRI for the first time, go to

www.bvri.org,

click on the brown "**join BVRI**" icon and read about the benefits of joining (for example, use of Bear Lake), what the dues support, and for access to the online 2019 Membership Form. Bear Valley property owners and non-property owners (in or outside of Bear Valley) are welcome to join. Once you complete the form, you will be given the payment instructions. You may pay your dues online by credit card or pay by check if you prefer. If paying by credit card, please have your card in hand before starting the membership form.

Once your payment posts please keep information in a convenient location so you can reference it if needed later.

Thank you
