Be prepared! It will likely be dark, smoky, windy, and hot. There may be airborne burning embers, no power or telephone, and poor water pressure. Remember, there is nothing you own worth your life! Please evacuate immediately when asked.

This checklist was adapted from Wildfire Evacuation Checklist, University of Nevada, Reno Extension publication #FS-06-07. Funding for this project provided in part by a Community Fire Assistance Agreement with the Bureau of Land Management - Nevada State Office in cooperation with University of Nevada, Reno Extension. University of Nevada, Reno is an EEO/AA institution.
